## **DETAILED ACTION**

### ***EXAMINER'S AMENDMENT***

An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it **MUST** be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Mr. Kurt Summe on 10/11/05.

In line 2 of claim 30, --a first look-up table for storing correction factors that correct for amplitude and phase non-linearities in the RF power amplifier;-- has been added after "comprising:".

In line 3 of claim 30, --a second--has been added before "look-up tables"

In line 3 of claim 30, "tables" has been replaced with --table--.

### ***Reasons for Allowance***

Claims 1-42, 45-47 and 49-53 are allowed.

The following is an examiner's statement of reasons for allowance: Regarding claims 1, 10, 15, 24, 30, 42 and 47, the closest prior art of record, Jeckein et al (Figs. 1 and 4) does not disclose the following limitations: a second pair of look-up tables configured for storing correction factors to compensate for memory effects in the response of the RF power amplifier.

Art Unit: 2817

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

***Conclusion***

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Henry Choe whose telephone number is (571) 272-1760.
